ADDED incoming correspondence from Cuellar and RGISC.

Please review attached letter, in response to Councilmember Perez and RGISC concerns re: EtO emissions in Laredo to be signed by David Gray, after briefing on 11/12.

I also included Congressman Cuellar's correspondence as well for final review. It was previously routed last week; however ARD was waiting to get concurrence on one item last week, so if any changes please make edits. If none, please concur on all 3 letters.

Make any necessary edits, concur by initialing below, and forward to next manager and their corresponding CC: and Administrative Assistant for concurrence:
